

*Providing Quality Adult Education*

## **Children's Services CHC30708 Certificate III in Children's Services**

### **Course Overview**

Do you enjoy being with children? Do you have patience, understanding, energy, adaptability and a willingness to take responsibility, this course will enhance and further develop these natural abilities. Certificate III in Children's Services is the recognised qualification for childcare assistants who wish to be qualified as a childcare worker. You will learn how to foster and support the emotional well being of infants while overseeing their physical, social and psychological development. You will also ensure you can provide relevant administration support in a child-care facility, whilst also providing a safe and healthy working environment.

### **Why choose King's?**

Established in 1997, King's International College with campuses at Reedy Creek and Burleigh is recognised for delivering quality training in the health, children's services, automotive and hospitality sectors.

As King's is a community focused non-profit organisation, its surplus funds made from training delivery goes back to either improving or expanding the college's range of courses or goes into its community welfare organisation, the Community Support Agency (CSA).

King's undertakes a duty of care towards its student body and offers course counselling as required.

## Recognition of Prior Learning (RPL)

RPL allows the competencies you already possess to be recognised, regardless of how you obtained them. These might include skills you picked up on the job or from other life experiences that do not necessarily include formal training.

These skills and competencies may relate to units you are about to commence and as a result may exempt you from studying these units. Please be aware that there are costs applied to RPL application.

## Field Placement

Field placement forms an essential part of your competency-based assessment and provides you with practical components.

Classroom based delivery has 2 weeks and 1 day a week after week 10 (160 hours) of field placement. Educators for Children's Services will assist you in gaining appropriate field placement.
