

Providing Quality Adult Education

Health and Ageing CHC40208 Certificate IV in Home and Community Care

Course Overview

This course addresses work in client homes and community settings. It is designed to equip students with the skills to carry out activities related to maintaining an individual's well being through personal care and other activities of daily living.

You will develop the skills and knowledge to provide services to individuals with complex needs, work with groups of older people, liaise with professionals and service providers, and supervise a number of workers.

Why choose King's?

Established in 1997, King's International College with campuses at Reedy Creek and Burleigh is recognised for delivering quality training in the health, children's services, automotive and hospitality sectors.

As King's is a community focused non-profit organisation, its surplus funds made from training delivery goes back to either improving or expanding the college's range of courses or goes into its community welfare organisation, the Community Support Agency (CSA).

King's undertakes a duty of care towards its student body and offers course counseling as required.
