Advanced Diploma of Children's Services

WHAT DOES THIS COURSE INVOLVE?

The Advanced Diploma qualification involves the self-directed development of knowledge pertaining to a Children's Services organisation and operation of programs for children. This course is for those who have already completed the Diploma in Children's Services or equivalent. It is designed to further the leadership and management skills of those working in Children's Services who hold positions of responsibility and wish to gain further qualifications to work more effectively in Children's Services.

WHAT ARE MY EMPLOYMENT OPPORTUNITIES?

Leadership and management roles in the Children's Services industry such as Family Day Care Coordinator, Director of a Child Care Centre, Outside School Hours Care Coordinator.

HOW LONG DOES IT TAKE?

This course is available in **External Study** Mode only and the duration is 40 weeks - within a 12 month period.

King's has created a set of unique and very effective self paced booklets that will guide you through your course. Students have found this mode of study to be one that gives them independence and control over their study.

Note: All duration times stated are the maximum timeframe to complete the program and published fees cover this timeframe. Students who have not completed their qualification in the stated timeframe can continue the program self-paced on a per unit basis at an additional cost.

FIELD PLACEMENT

Field Placement forms an essential part of your competency-based assessment and provides you with practical components. There are two placements of 120 hours that the Head of Children's Services Studies will assist you in organising. You are able to do this at your place of work if you are currently working in the Children's Services Industry.

ENTRY REQUIREMENTS

The Diploma of Children's Services or equivalent plus relevant and current industry experience. Applicants will be given advanced standing from common Diploma competencies into this upgrade course.

SUPPORT

King's undertakes a duty of care towards its student body and offers course counseling as required.

RECOGNITION OF PRIOR LEARNING

Recognition of Prior Learning is the student's opportunity to have their prior skills and competencies recognised. These skills and competencies may relate to units you are about to commence and as a result can exempt you from studying these units. However, there is a cost related to obtaining Recognition of Prior Learning.

The process requires students to gather evidence confirming their competency. An educator will advise you in this task. **Enquire if you think you qualify.**
